

Student log in details, storage and email have been upgraded

12th April 2021

You can now log in and use OneDrive to save your college work and access it from any device whether you are in college, at home or elsewhere. You can also use Outlook for email if you wish.

Username

Your username now starts with the letter **s** followed by your student number, e.g. 1234567 is now **s**1234567.

Password

Your password has been reset to your date of birth with format ddMmmyyyy, e.g. 01Jan1990.

You can change this after you have logged in.

Outlook email

Your new Outlook email address also starts with the letter **s** and has an **s** after student, e.g. **s**1234567@students**s**.lewisham.ac.uk

Note

If you use Google for gmail and Google Drive for storage you can use the same log in details as before – these have not changed.
